

OUR GOALS:

To employ sufficient GPs and nurses to ensure the safety of patients is never compromised

To ensure clinical staff are never asked to perform beyond their capabilities

To work with other providers to ensure seamless care

To be equipped for unforeseeable increases in demand for services

To foster positive relationships with clinical commissioning groups

To ensure all staff are trained to the highest-possible standards

MISSION STATEMENT:

To provide exceptional out-of-hours & primary care across the county

To ensure a consistently high level in the continuity of care

To provide exceptional standards in end-of life care

To adhere to information governance guidelines at all times

To protect vulnerable children and adults

To put patient safety at the forefront of everything we do

To provide clinicians with robust operational systems
